Where there is the Holy Spirit, there is Me, where there is me, there is the Holy Spirit, I am the Holy Spirit, the Holy Spirit is Me, I am the Holy Spirit Nicholas
His mouth says my word, my word is my law and my will, I am the Holy Spirit, the Holy Spirit is me, I am the Holy Spirit Nicholas
I am the only true supreme I am, the only true supreme I am, I am the Holy Spirit, the Holy Spirit I am, I am the Holy Spirit Nicholas
Everything IS Me, I am the Holy Spirit, The Holy Spirit is Me, I am the Holy Spirit Nicholas "I AM what I AM, both above and below, both on the left and on the right, both in front and behind, both inside and outside"

I AM the Holy Spirit Nicholas, "I AM what I AM," I proclaim the will of God and my will, I proclaim the set of commandments of God and mine, according to which the living flesh and blood created by God, the unique creation of the male body, named by the will of God Sergei and me Nikolai, the son an earthly living woman, mother Mary, and an earthly living man, father Nicholas of the supreme free Vorobyov family, there is light in the universe, in the Milky Way galaxy, on the planet Mother Earth:

1. I AM God, the creator and creator of innumerable universes and galaxies, innumerable physical dimensions and immeasurable spiritual dimensions "I AM what I AM" your creator, your creation, may you have no gods but me.

2. And when you gain wisdom from heaven to earth and on earth, and the wisdom of your kind, and create flesh and blood, a unique creation in your image and likeness, the body of a man or woman, and breathe life into it, settling and leaving a part of yourself known as the Holy Spirit, and I will put my seal on each of your the unique creation you have created is the body of a man or a woman, and you will name them, and then you will become equal to God "I am you, you are Me"

3. Be fruitful and multiply, and fill the earth and subdue it, and have dominion over the fish of the sea, and over the beasts, and over all cattle, and over all the earth, and over every living thing and creeping thing on the earth, and honor your family in heaven, under the earth, and on earth.

4. Do not enter other worlds with your own laws, but observe the laws of that world.

5. Do not follow the darkness, but follow the light, for those who follow the darkness will perish prematurely, irrevocably.

6. Do not listen to those who call for lies, but listen to those who call for the truth.

7. Do not listen to those who say that life is finite, because they themselves do not understand what they are talking about.

8. Do not listen to those who say that your neighbor is your enemy, but listen to those who say that your neighbor is your friend.

9. Go through many worlds, learning and gaining knowledge, their wisdom, perfecting your spirit.

10. Do not create false commandments and laws that go against my laws and commandments, for you will destroy yourself and lead your descendants astray.

11. Do not strive for other worlds in order to capture them, because anyone who thinks about it may lose his world.

12. Do not think that many lands, planets, universes are lifeless, they have life that you cannot see, your senses cannot feel.

13. Do not use knowledge and technology for evil in order to take over other worlds, but use them for good and knowledge of the worlds, and then you will find friendship among the inhabitants of those worlds.

14. Do not reject the unknown and the inexplicable, but try to know the unknown and explain the inexplicable, for I help those who seek to know wisdom.

15. Do not believe in the power of traditions, even if they have been revered for many generations and in many places, do not believe anything, because many people talk about it, do

not believe in the power of ancient sages, do not believe what you imagined, thinking that you were inspired by God, do not believe anything that depends only on it depends on the authority of your teachers or priests. And believe what you have researched and tested yourself, and found reasonable, and what serves for the benefit of you and for the benefit of others. "Doubt is an incentive to research, and research is the path to true knowledge."

16. Do not use words without knowing their true meaning and the meaning that this word carries.

17. Master all the arts and ancient wisdom that your family has preserved from the beginning, as well as learn the arts and ancient wisdom of other peoples and worlds.

18. Do not be aggressive against those who come to you from other worlds, for how you behave, they will think of all your kind and the inhabitants of your world.

19. Do not destroy your world and its nature, for you will destroy yourself and lose your world.

20. Do not live according to the laws that the alien people have created in order to deprive you of the will I have given you, but live according to my laws and covenants for the sake of your one kind.

21. Do not judge those who have strayed from the path of light, but guide them back to the path of righteousness, for they will answer for their deeds before their conscience and their family.

22. Do not be ashamed of what has been given to you by your nature and your family, but be ashamed of ignorance and ignorance.

23. Pay respect to me, your only creator, and you will find peace and quiet in your life, and may the gates between the worlds be opened for you.

24. Do not spare your life to protect your house, to protect your family and your holy faith, to protect your holy land.

25. Do not force the holy faith on people, and remember that the choice of faith is a personal matter for every man and every woman.

26. Do not offer bloody sacrifices, do not anger me, for it is abominable for me to accept innocent blood from my creatures.

27. Do not boast of your strength in front of the weak, so that they may praise and fear you, but gain glory and strength in battles with the enemy, in knowledge and wisdom.

28. Do not bear false witness against your neighbor; keep your mouth from lying.

29. Do good deeds for the glory of the heavenly, earthly, and underground generations, your great ancestors, and your holy land.

30. Do not take your neighbor's life, for you did not give it, but I did, but do not spare the lives of the enemies who attack you and your lands, for they have gone against my will.

31. The greatest and priceless jewels in the world are knowledge, conscience and wisdom. They bring prosperity to your family, and every real man and every real woman should pass on their knowledge and wisdom from generation to generation.

32. Every deceased person should go to the heavenly world through a great bonfire, and the ashes of the deceased should be thrown into the waters of a river or sea, or buried in the ground, and in memory of him it is necessary to fill a mound and put a memorial stone.

33. Keep my laws and commandments that I have given you, and you will find my help from the very beginning for the good of the world, forever and ever.

I AM the Holy Spirit Nicholas, "I AM what I AM," with Power and Authority, by the will of God and by my will, I proclaim and endow, I transmit, the living flesh and blood created by God, the unique creation of the male body, named by the will of God Sergei, and by me Nicholas, the son of an earthly woman, mother-Mary and an earthly man, father-Nicholas of the supreme free Vorobyov family, a set of Spiritual rights, namely:

I AM the Holy Spirit Nicholas, "I AM what I AM", by the will of God, the Light embodied in the Universe, the Perseus-Pegasus Galactic Filament, the complex of Fish-Whale superclusters, Laniakea, the Virgo supercluster, the Local group of galaxies, the Milky Way galaxy, the Orion arm, the Solar System, the planet Mother Earth, into the living flesh and blood created by God, a unique creation, the male body, named by the will of God Sergei and myself Nikolai, the son of an earthly woman, mother Mary and an earthly man, father Nicholas of the supreme free Vorobyov family, is the lord of all lands, seas and skies, all knowledge, all technologies, all property, all money, all rights to all laws, and to all lives, this is the first and highest and most sacred divine law, applicable to everyone and in all worlds, from the very beginning, for the benefit of the light, forever and ever.

I AM the Holy Spirit Nicholas, "I AM what I AM" proclaiming the will of God and my will, I take responsibility for all the energy given to me by God the creator and creator of innumerable

universes and galaxies, innumerable physical dimensions and immeasurable spiritual dimensions, from the very beginning, for the benefit of light, forever and ever.

I AM the Holy Spirit Nicholas, "I AM what I AM" proclaiming the will of God and my will, I take responsibility for all my energies, conscious or only conscious, and I do not leave them unattended, as what is left unattended could be used against me. And may my strength and will begin with my ability to manage my own energy resources for creatures, creatures in this world and other worlds and dimensions, from the very beginning, for the benefit of the light, forever and ever.

I AM the Holy Spirit Nicholas, "I AM what I AM" proclaiming the will of God and my will, I renounce all negative systems, programs, suffering, sacrifice, unconsciousness, diseases and other programs that were not previously known to me, but harm me and my temple, the living flesh created by God and the blood, the unique creation of the male body, and from this moment on, I choose only the energies of light, knowledge, health, will, love, harmony and unity, from the very beginning, for the benefit of the light, forever and ever.

I AM the Holy Spirit Nicholas, "I AM what I AM" proclaiming the will of God and my will, I realize that suffering, sacrifice, unconsciousness, illness are the energy of separation, from this moment on I choose and create, I create the energy of wholeness, clarity of consciousness, I activate, manifest and create my own the creative principle in creation on the planet Mother Earth, from the very beginning, for the benefit of the light, forever and ever.

I AM the Holy Spirit Nicholas, "I AM what I AM" proclaiming the will of God and my will, I am aware of the complexity of the world order, its versatility, I realize that understanding the worldview of each entity of the highest and lowest order is the key to cooperation and maintaining harmonious relations, I show respect for the personal space of all entities observing this principle, from the very beginning, for the benefit of the light, forever and ever.

I AM the Holy Spirit Nicholas, "I AM what I AM" proclaim the will of God and my will, I declare to all systems, programs, parasitic dark low and high vibration entities in all manifestations, dimensions and projections that I forbid any interference with my thoughts, sounds and any vibrations, actions addressed to to anyone and anywhere. Anyone who repairs and helps in obstructing my thoughts, sounds, and any vibrations will be dismantled, dispersed to the primary energy, and responsibility for the consequences will be fully transferred to the attacker and those involved, from the very beginning, for the benefit of the light, forever and ever.

I AM the Holy Spirit Nicholas, "I AM what I AM" proclaiming the will of God and my will, I declare at all vibrational levels, in all systems, programs, that my energies, energy fields, are completely protected from any destructive, blocking, impact or intrusion, including remote. Any impact, even at the level of intent, is automatically returned to the attacker, all systems directly or indirectly related to the attacked entity will be dismantled and dispersed to the primary energy. Responsibility for the consequences of an attack is fully transferred to the attacker and the entities involved, from the very beginning, for the benefit of the light, forever and ever.

I AM the Holy Spirit Nicholas, "I AM what I AM," proclaiming the will of God and my will, I open and activate the following electromagnetic centers of power in the living flesh and blood created by God, a unique creation of a male body, named by the will of God Sergei and myself Nikolai, the son of an earthly woman, mother Mary and an earthly man, father Nicholas of the supreme free Vorobyov family, namely:

1. The Power of Materialization is the ability to create any form of matter of any complexity and structure in different worlds and spaces with the power of thought. This unique ability allows him not only to create objects, but also to shape his life.
2. The power of Bionavigation is the ability to choose the direction of movement using the senses and instincts. This unique ability allows him not only to navigate in space, but also to find the most optimal, safe ways in the most difficult conditions. It also has a deep and direct connection with the environment, allowing you to feel changes in the atmosphere, the magnetic field of objects and the vibrations of the earth.

3. The power of Disembodiness is the ability to change one's body matter and pass through other matter, thanks to the ability to control one's vibrations and energy fields. This amazing power allows him to escape physical limitations, allowing him to explore worlds, observe events from afar, and even interact with other beings on a spiritual level that are inaccessible to ordinary beings.
4. The power of Levitation is the ability to fly and walk through the air. This unique ability allows him to overcome gravitational constraints and move freely in spaces, providing the opportunity to explore the world from a completely new perspective.
5. The power of Omnilingualism is the ability to speak, read, and write in any language as if it were your native language. This unique ability allows him to instantly perceive and process information and communicate freely with representatives of different cultures and peoples, breaking down language barriers and promoting mutual understanding.
6. The power of Telekinesis is the ability to manipulate both small and large forms of matter using only the power of thought. This amazing ability allows him to move objects and change their shapes, as well as create and destroy material objects without physical contact.
7. The power of Telepathy is the ability to communicate with the mind, including the ability to share a large amount of information in a very short time, regardless of distance. This unique ability allows him to establish mental connections, transmitting and receiving thoughts, emotions and ideas directly, bypassing verbal and visual contact.
8. The power of Teleportation (flicker) is the instantaneous movement of a form of matter from one point in space to another. This amazing ability allows him to cover distances in a matter of moments, avoiding the need to physically move. Teleportation opens up endless possibilities for travel, exploration, and interaction, allowing you to instantly reach inaccessible places or return to familiar spaces.
9. The power of Chronokinesis is the ability to move forms of matter in time. This unique ability allows him not only to move through space, but also to change timelines, exploring the past, present and future.
10. The Power of Sensitivity is the ability to distinguish an ordinary entity from an entity with an ability and to know what ability an entity has. This unique ability allows him to deeply perceive the world around him, picking up the energy fields, vibrations and auras of other beings. Sensitive people are able to see what is hidden from the eyes of ordinary people and distinguish subtle differences between energy structures.
11. The power of Clairvoyance is the extrasensory perception of information in accordance with any specific mental questions, information about any current events. This unique ability allows him to penetrate beyond the limits of ordinary perception, to receive information about people, situations or events, opening access to intuitive knowledge and foresight of future events.
12. The power of Cyberpathy is the ability with which you can simultaneously do several tasks while still finding many solutions, in a word, "a man is a computer." This unique ability allows him to manage his time and resources, process huge amounts of information and perform complex calculations instantly, manage multiple projects simultaneously, analyze data, make decisions and propose the right decisions based on the information received.
13. The power of Electrokinesis is the ability to control and manipulate electricity with the power of thought. This unique ability allows him to generate electrical impulses, illuminate space, launch electrical devices and even create protective fields, manipulate electrical currents, creating and directing electrical discharges, changing their intensity and direction.

I AM the Holy Spirit Nicholas, "I AM what I AM" proclaiming the will of God and my will, I establish and transmit the universal calendar and time.

The Universal Calendar: 12 ZS14 5778 Constellation: Aries, Day of the week: Venus, Time: 6 hours 0 minutes, which corresponds to the Roman model of society and time [December 21, 2012], this day of full consciousness, revelation, the end of all forms of models of society,

empires, power, law, states, monarchy, and from this day begins a new timeline the cycle of creation, which consists of:

- The Age of the ABSOLUTE,
- The Age of the Universe,
- The Age of the Galaxy,
- Sixteen constellations.

The age of the ABSOLUTE is equal to one million six hundred fifty eight thousand eight hundred eighty (1658880) years, this period is equal to the total deviation of the ABSOLUTE axis by 0-90 or 90-0 degrees relative to the axis of the World.

The day of the ABSOLUTE is equal to 256 earth days or 4608 earth hours.

The year of the ABSOLUTE is equal to 92160 earth years,

The axis of the ABSOLUTE deviates by one degree in 18432 Earth years.

Every four hundred and fourteen thousand seven hundred and twenty (414,720) years, which is equal to 22.5 degrees of deviation from the axis of the world, there is a transition to a new constellation.

The epoch of the Universe is equal to four hundred and fourteen thousand seven hundred and twenty (414,720) years, this period is equal to the total deviation of the axis of the Universe by 0-90 or 90-0 degrees relative to the axis of ABSOLUTE.

The universal day is equal to 64 earth days or 1,152 earth hours.

The universal year is equal to 230-40 earth years,

The axis of the universe deviates by one degree in 4608 Earth years.

Every one hundred three thousand six hundred and eighty (103680) years, which is equal to 22.5 degrees of deviation relative to the ABSOLUTE axis, there is a transition to a new constellation.

The epoch of the Galaxy is one hundred three thousand six hundred and eighty (103680) years, this period is equal to the total deviation of the axis of the Galaxy by 0-90 or 90-0 degrees relative to the axis of the Universe.

A galactic day is equal to 16 Earth days or 288 Earth hours.

The galactic year is equal to 5750 Earth years,

The axis of the Galaxy deviates by one degree in 1152 Earth years.

Every twenty-five thousand nine hundred and twenty (25920) years, which is equal to 22.5 degrees of deviation from the axis of the universe, there is a transition to a new constellation.

The era of the Sun is twenty-five thousand nine hundred and twenty (25920) years, this period is equal to the total deviation of the axis of the sun by 0-90 or 90-0 degrees relative to the axis of the Galaxy.

A solar day is equal to 4 Earth days or 72 Earth hours.

The solar year is equal to 1,440 Earth years,

The Sun's axis deviates by one degree in 288 Earth years.

Every six thousand four hundred and eighty (6480) years, which is equal to 22.5 degrees of deviation from the axis of the Galaxy, there is a transition to a new constellation.

The Earth's era is six thousand four hundred and eighty (6480) years, this period is equal to the total deviation of the earth's axis by 0-90 or 90-0 degrees relative to the axis of the Sun.

The Earth's axis deviates by one degree in 72 Earth years.

Every one thousand six hundred and twenty (1620) years, which is equal to 22.5 degrees of deviation from the axis of the Sun, there is a transition to a new constellation.

An Earth year is equal to three hundred and sixty (360) days and an additional 5 or 6 days to the transitional months, a year consists of eighteen (18) months, seventy-two (72) weeks, consisting of five (5) days and an additional week in the transitional months,

In the new calendar, the year is divided into four (4) seasons and four (4) transitional periods.

The day is divided into four (4) cycles (morning, afternoon, evening, night), each cycle has its own light energy (electromagnetic and gravitational vibrations of a certain frequency and

density, code), affecting the creation of creations in the material world on the planet Mother Earth.

A day is equal to eighteen (18) hours, an hour is equal to eighty (80) minutes, a minute is equal to sixty (60) seconds.
